Lane closures and reductions along US 20 and IL 83

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane reductions and temporary closures will occur along US 20 and Illinois Route 83 (Kingery Highway) over Salt Creek in DuPage County for bridge painting projects beginning, weather permitting, Monday, May 11.

In order to complete the work, the westbound US 20 ramp (exit 12) over I-290 will be reduced to one lane during off peak hours and during the night.

Also part of this project is work done underneath IL 83 (Kingery Highway) over the Salt Creek. Traffic will not be interrupted by this part of the project.

The project will be complete by September 25, 2015.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
